

**Design, Engineering, Supply, Installation, Testing, Commissioning and Comprehensive Operation & Maintenance of Grid Connected Rooftop Solar PV Project and Associated Support Structure Works under RESCO Model for a Period of 25 Years at High Speed Rail Terminal at Sabarmati**

**(SINGLE STAGE TWO ENVELOPE BIDDING)**  
**under e-Tendering**

1. National High-Speed Rail Corporation Limited (NHSRCL) (the “Employer”) was incorporated on 12th February 2016 under the Companies Act, 2013 with an object to finance, construct, maintain and manage the High Speed Rail Corridor in India. The Company has been modelled as ‘Special Purpose Vehicle’ in the joint sector with equity participation by Central Government through Ministry of Railways and two State Governments viz. Government of Gujarat and Government of Maharashtra.  
The Company would be ushering India into the category of few countries of the world (about 15) using High Speed Railway System. The High-Speed Rail (HSR) project apart from being a technological marvel, would afford many quantifiable benefits like saving in travel time, vehicle operation cost, reduction in pollution, job creation, reduction in accidents/ enhanced safety, imported fuel substitution, and reduction in pollutants. The project would also boost the infrastructure and add to the growth of economy. HSR would be an integrated system having overall optimization of various components, viz. Hardware, Software, Human-ware, and their interface, etc.
2. NHSRCL, invites sealed bids from eligible bidders to participate in Request for Selection (RfS) for Site Survey, Design, Manufacture, Supply, Erection, Testing and Commissioning including Warranty, Operation and Maintenance of Grid Connected Rooftop Solar PV Power System for High Speed Rail Terminal Building at Sabarmati, Ahmedabad.
3. For the implementation of above mentioned work, prospective bidders should submit their techno-commercial and financial bid proposals online complete in all aspect on or before Last date of Bid Submission as mentioned on the Bid Information Sheet and CPP portal <https://eprocure.gov.in/eprocure/app>
4. Bidder shall submit their bid proposals along with non-refundable Cost of Tender Documents and refundable EMD complete in all respect as per the Bid Information Sheet. Techno-Commercial bids will be opened as per the Bid Information Sheet in online presence of authorized representatives of bidders who wish to be present online. Bid proposals received without the prescribed Cost of Tender Documents and EMD will be outrightly rejected. In the event of any date indicated above is a declared Holiday, the next working day shall become operative for the respective purpose mentioned herein.
5. Bid documents which include Eligibility Criteria, Technical Specifications, various Conditions of Contract, Formats etc. can be downloaded from e-tendering portal\_CPP portal <https://eprocure.gov.in/eprocure/app> and NHSRCL’s website <http://www.nhsrcl.in> **It is mandatory to download official copy of RfS Document from CPP Portal in order to participate in the Tender.** Any amendment(s)/ corrigendum/ clarification(s) with respect to this Bid shall be uploaded, CPP Portal and NHSRCL Website. The Bidder should regularly check for any Amendment(s)/ Corrigendum/ Clarification(s)/ Notice(s) on the above websites.
6. The bidding process under this contract is for design, engineering, supply, installation, testing, commissioning and comprehensive operation & maintenance of grid connected roof top solar

PV project and associated support structure works on RESCO model for a period of 25 years at High Speed Rail Terminal at Sabarmati related to Govt Building.

7. Under this contract the bidder shall apply for **minimum installed capacity of 700 kWp**. The detailed scope of work interalia includes the following: -
  - 7.1 An indicative drawing of rooftop of HSRT has been enclosed along with this RfS documents in Part – VIII. bidders are requested to visit the site and check the feasibility of space including installation capacity. ***The PPA shall be executed between the successful bidder and NHSRCL in the prescribed format attached as Annexure- II with this RfS document.***
  - 7.2 **SCOPE OF WORK:**

The Scope of the Work would essentially cover, but not limited to Site Survey of Roof Top, Site Visit, Solar Potential Assessment, Design, Engineering, Manufacture, Supply, Storage, Civil Works, Erection, Testing, Commissioning, ensuring Grid Connectivity as per the Gujarat State Policies, Quality Control of the Grid Connected Solar PV Rooftop Project including Operation and Maintenance (O & M) of the Project for a period of 25 (Twenty-Five) Years after Commissioning of Project.
8. EMD shall be submitted online as detailed in ITB.
9. Performance Bank Guarantee (PBG) amount shall be furnished by the successful bidder after issuance of Letter of Acceptance (LOA) by NHSRCL.
10. In compliance to MNRE order No 146/57/2018- P&C - **Public Procurement (Preference to make in India) dated 11.12.2018**, Minimum Percentage of local content required are as follows–
  - i. Solar PV modules = 100%
