सेवा में,

(संलग्न सूची अनुसार / As per the list attached),

विषय: स्वच्छ ऊर्जा प्रौद्योगिकियों की तैनाती में उपयोग किए जाने वाले विभिन्न घटकों/उपकरणों पर जीएसटी का एक समान स्लैब के संबंध में।

Sub: Uniform Slab of GST on various components / equipment used in deployment of Clean Energy Technologies – reg.

Ministry of Power (MoP) has informed that CEO NITI Aayog, has written a D.O. letter to Secretary, Department of Revenue, Ministry of Finance, recommending a uniform slab of GST @ 5% on various clean energy technologies across the country in order to help the country in achieving the "Panchamrit" targets announced by Hon'ble PM at COP 26.

In line with the same, MoP is also intending to send a proposal to Department of Revenue. In this regard, associations and developers related to RE technologies were requested during a meeting of RE developers under the Chairmanship of Chairperson, CEA on 7th March 2022 to furnish the list of such components / equipment and raw materials which are utilized in the development of plants related to Solar, Wind, Pump Storage Hydro Power, Battery Energy Storage System (BESS), Bio-energy, Waste to Energy (including biomass and Municipal Solid Waste to energy), production/storage/transportation & utilization of Green Hydrogen/Ammonia, Carbon Capture, utilization & storage (CCUS) Plants and other form of Renewable Energy Power Plants and Electric Vehicle Charging System's & Infrastructure for which GST reduction can be proposed to Department of Revenue in order to promote the clean energy technologies. It is reiterated to provide the list on PRIORITY to this office by email to rtd.div-cea@gov.in so that the same can be communicated to the MoP urgently.

It is also requested to provide the HS code and the present GST rate against the proposed components / equipment and raw materials.

In case of the concerned associations, they (associations) are requested to share this letter with their stakeholders and send a consolidated data to this office at the earliest.
