1. Introduction

Uttar Pradesh New & Renewable Energy Development Agency (UPNEDA) is a State Nodal Agency for implementation of various Renewable energy Programs in Uttar Pradesh. To Promote Decentralized Power Generation to meet the minimum household needs of lighting, fan, mobile charging etc. in rural areas, the government of Uttar Pradesh announced Mini Grid Policy 2016. Under Mini grid policy Uttar Pradesh government had installed 16 Nos. of Solar Mini grid power plants having aggregate capacity of 2.332 MW and under Decentralized Distributed Generation scheme of GoI 30 nos. of Solar Power Plants having aggregate capacity of 0.580 MW had been installed in Built Operate Maintain and Transfer (BOMT) mode. After completion of 05 years the DDG & Mini Grid Solar Power Plant are to be transferred to UPNEDA. After completion of 05 years period of DDG & Mini Grid solar power plants, UPNEDA is intending to Operate & Maintain these plants through private organizations under revenue sharing model, because, for revival and restoration of these solar plants, huge amount of Capex as well as Opex is required as it need replacement/ upgradation of faulty Inverters, Batteries, Solar Panels & Cables etc.

2. Objective

The objective of this Tender is to outsource operation of minigrids etc. and develop a Revenue Sharing Model for Operation, maintenance and management of these Minigrids and DDG Solar power plants. The generated power from these solar panel can be sold to the local residents for household uses, which include proper education to children etc. as well as MSME customers to run their small-scale business like Flour Mill, shops and other commercial uses etc., farmers to run there Tubewell for irrigation purposes. Any private entity can operate and maintain DDG & Mini Grid Solar Power Plants on the basis of self-sustainable business model and revenue sharing model to UPNEDA. These operational sites, not only contribute major role to boost the economy of their concern geographical area but also generate huge employment opportunities in the field of MSME sectors.

3. Scope of Work

- 3.1. Takeover all sites on as-is-where-is basis.
- 3.2. Right to Use the Premises and equipment during the Right to Use Period.
- 3.3. Tenure for maximum Right to Use to be 20 years but it will be reviewed by UPNEDA before completing every five years end if reviews are not found as per scope of work UPNEDA may decide next course of action (Including penal action).
- 3.4. Right to use charges shall be on the basis of per kilo watt, per month for solar power plant to be paid annually to UPNEDA.
- 3.5. Take over all the equipment including but not limited to solar PV, inverters, cables, meters, batteries, poles, mini-grid lines, civil works and other balance of systems on as-is-where-is basis without any warranties or liabilities relating to the existing quality or workmanship including that of any damage caused because of the same now or in the future. The list of such solar PV, inverters, cables, meters, batteries, civil works and other balance of systems shall be signed off between bidder and UPNEDA as part of the handover documentation.
- 3.6. Bidder at its own cost shall have the right to replace and / or augment any equipment as it deems fit or bring in new equipment including without limitation solar panels, batteries, inverters, rectifiers, cables, poles, mini- grid lines, associated civil works or other related balance of material. All new equipment and material brought in by bidder shall be the property of bidder but it will not be shifted unless approval from UPNEDA is granted.
- 3.7. Faulty equipment taken out by bidder or equipment that have reached end-of-life shall be handed over to UPNEDA.
- 3.8. Existing customer connections of UPNEDA of these minigrid sites, within a distance of 40 meters from the poles will continue to be serviced by bidder at prevailing tariffs being offered to them by UPNEDA in accordance with clause 6.1.5.5 of Uttar Pradesh Minigrid Policy 2016. Such customers shall enjoy services till such time as they make timely payments to Bidder also following other customary obligations. The list of such customers shall be signed between Bidder and UPNEDA as part of the handover documentation.
- 3.9. Bidder shall have the right to serve new customers of rural households, small & medium and micro

enterprises, commercial along with other industrial customers from these 46 sites, so as to bring financial viability to these sites on tariffs mutually agreed between Bidder and customers in accordance with clause 6.2 of Uttar Pradesh Minigrid Policy 2016.

- 3.10. Since the plants are pre-existing, Bidder shall not need any further governmental/ other approvals for running these plants and mini-grids during the Right to Use period.
- 3.11. Quarterly Report of Status of operation and maintenance of the plants shall be submitted to UPNEDA and district administration through project officer of UPNEDA.
- 3.12. Entire investment for repair work and operation and maintenance (O&M) of the Solar Power Plant shall be carried out by the bidder for 05 years which may be extended for next 05 years on the mutual consent from the contractor and UPNEDA, till the completion of total RIGHT TO USE maximum period of 20 years.
- 3.13. In no circumstances the plant can not be shifted from existing location to another unless approval from UPNEDA is granted.
- 3.14. The capacity of the plant can be extended after obtaining approval from UPNEDA but the investment is to be borne by the bidder only.
- 3.15. Solar PV panels, inverters, cables, Meters, Batteries, Poles, Minigrid lines, Civil works, land of plant and other balance systems will be property of the UPNEDA.
- 3.16. Bidder are advised to visit the minigrid & DDG sites (as per list given in the bid document) before bid submission. The list of minigrid & DDG sites are attached in annexure-III.
- 3.17. Bidders are advised to quote rates of individual site locations mentioned in the financial bid sheet.
- 3.18. Bidders are free to quote the rates for suitable projects out of the total list of 43 projects (Minigrid-16 nos and DDG- 27 nos) mentioned in the list as per their preference.

4. Role and functions of Operator: -

- 4.1. Regular cleaning and protection of the solar panels of the plant will be done by the concerned operator.
- 4.2. Top-up of electrolytes, cleaning of terminals and application of petroleum jelly and other maintenance work will be done by the concerned operator in the battery bank of the plant.
- 4.3. Other maintenance work will be done by the concerned operator.
- 4.4. All the electrical connections of the plant will be regularly checked by the concerned operator and action will be taken if excess load is found in any connection. Repair/Replacement of Power Plant (including but not limited to batteries, inverters, panels, PDN's Cables etc.) shall be undertaken by bidder to keep the minigrid operations during the RTU period
- 4.5. The concerned operator will be responsible for the safety of the plant.

Format And Signing Of E-Bids:

The bidder shall provide all the information as per this tender document. The UPNEDA will evaluate only those proposals that are received in the required format and are complete in all respects. The bidder shall prepare the electronic copy for the bids (in pdf format) and upload the bids on e-tender portal through the bidder's digital signature certificate (DSC). Each proposal shall comprise the following:-

5. Documents to be enclosed with the bid

The following documents should be attached with Technical Proposal:

- i. Tender Fee in form of DD of Rs. 11,800/-
- ii. Earnest Money Deposit in form of DD of Rs. 25,000/-
- iii. Registration/ incorporation certificate.
- iv. GSTIN/ PAN card Certificate.
- v. Proof of turnover in the best performing three of last five financial years (2018-19 to 2022-23) duly certified by the Chartered Accountant.
- vi. The bidder should have minimum five years of experience in building, owning and operating minigrids (atleast 02 sites) of cumulative capacity 25 KW or above. Documentary proof like completion certificate from the concern agency/copy of work order/copy of agreement to be

mandatorily enclosed.

- vii. Undertaking for declaration for not being blacklisted by any Central / State Government / Public Sector Undertaking in India. Undertaking for declaration about not being involved in any major litigation.

(Signature of Bidder)
with SEAL

9. BID OPENING AND EVALUATION

9.1. OPENING OF BID

The procedure of opening of the e-tender shall be as under:

- 9.1.1. First part (PART-A) uploaded having Bid specification and super scribed as “**Technical bid**” shall be opened at the time and date mentioned in the Bid notice by UPNEDA’s representatives in the presence of Bidders, who choose to be present.
- 9.1.2. Second part (PART-B) containing **Financial Bid** shall be opened (after establishing technical suitability of the offer) as per schedule. Second part of only those Bidders shall be opened whose first part (PART-A) shall be found commercially clear and technically suitable.

9.2. Technical Evaluation

The UPNEDA will carry out a detailed evaluation of the bids previously determined to be substantially responsive in order to determine whether the technical aspects are in accordance with the requirements set forth in the bidding documents. In order to reach such a determination, the UPNEDA will examine and compare the technical aspects of the bids on the basis of the information supplied by the bidders, taking into account the following factors:

- i. Overall completeness and compliance with the technical requirements as stipulated in this bid. The bid that does not meet minimum acceptable standards of completeness, consistency and detail will be rejected for non-responsiveness.
 - ii. Achievement of specified performance criteria by the facilities as per scope of work.
 - iii. Type, quantity and long-term availability warranty and maintenance services.
 - iv. Any other relevant factors, if any, listed in the tender document, or that the UPNEDA deems necessary or prudent to take into consideration.
- 9.3. **CLARIFICATION OF BID:** To assist in the examination, evaluation and comparison of bids the UPNEDA may at its discretion ask the bidder for a clarification of its bid. The request for clarification and the response shall be in writing.
- 9.4. UPNEDA reserves the right to interpret the Bid submitted by the Bidder in accordance with the provisions of this document and make its own judgment regarding the interpretation of the same. In this regard UPNEDA shall have no liability towards any Bidder and no Bidder shall have any recourse to UPNEDA with respect to the selection process. UPNEDA shall evaluate the Bids using the evaluation process specified in this document or as amended, at its sole discretion. UPNEDA’s decision in this regard shall be final and binding on the Bidders.

Signature of Bidder with seal

10. PROCEDURE FOR FINALIZATION OF BID

The Procedure for Finalization of BID would be as follows:

10.1. Finalization of BID:

- i. First the Technical bids shall be opened and evaluated.
- ii. Then the price bid of technically qualified bidders shall be opened.

10.2. Finalization of Empanelment:

- i. First the Technical Bids shall be opened and evaluated. Then the price bid of technically qualified parties shall be opened.
- ii. The site-wise proposal received from the vendors will be evaluated.
- iii. The highest rates received against the individual site location shall be evaluated (i.e. H-1) (and in turn approved by the competent authority) would be the “Approved Rate” for that individual site location.**
- iv. In this manner H-1 vendor for total 43 site locations shall be the “Approved-Rates” for the 43 site locations.
- v. Respective Solar power plant against the **H-1 Proposal received against the individual Solar power plant** shall be handed over to the respective **H-1 bidder**.
- vi. Training of the users and entrepreneurs/ operators will be arranged by the contractor/ bidder.

10.3. If required UPNEDA reserves the right to negotiate with (highest) H-1 bidder before finalization of the tender.

10.4. UPNEDA reserves the right to accept any bid and to reject any or all bids.

10.5. NOTIFICATION OF EMPANELMENT:

List of successful Bidder(s) for contract shall be displayed on UPNEDA's website and shall be intimated in writing to the contractor.

10.6. CONTRACT

Before execution of the work, a contract agreement for execution of the work shall be signed by the Bidder with UPNEDA within 15 days of communication from UPNEDA. In case agreement is not executed within the stipulated time, then bidder shall be suspended for participating in the tendering process, for a period of one (01) year from bid due date of above referred tender.

10.7. AGREEMENT

Agreement will be signed between H1 bidder for the Site-wise Solar power plant and UPNEDA.

11. GENERAL CONDITIONS OF CONTRACT

11.1. DEFINITIONS

- 11.1.1. "UPNEDA" shall mean The Director of UPNEDA or his representative and shall also include its successors in interest and assignees. The "Contractor" shall mean (successful bidder) i.e. the person whose Bid has been accepted by UPNEDA and shall include his legal representatives and successors in interest.
- 11.1.2. The agreement shall be valid for 20 years but reviewed before expiry of every 05 years. The repair work shall be completed within 4 months from the date of placement of work order by UPNEDA. "UPNEDA" may in case of urgency ask the bidder to complete the work earlier, with the mutual consent of the contractor/bidder. Any additional cost incurred by "UPNEDA" shall be recovered from the contractor/ bidder.
- 11.1.3. That on the request of the contractor/ bidder and also in the interest of the organization the "UPNEDA" is authorized to extend the validity of the agreement, subject to that the request of the contractor/ bidder is received before the expiry of the agreement period, or any extended period granted to the contractor/ bidder.

11.2. Financial Proposal

- 11.2.1. The Financial proposal will only be considered for technically qualified bidders as per the bid conditions.
- 11.2.2. The financial proposal should state the cost (both in numerals and in words).
- 11.2.3. The financial proposal shall include all cost related to the event & those stated in the scope of work.

11.3. Evaluation

The Offers are proposed to be evaluated based on methodology as mentioned below:-

- 11.2.4. The criteria for pre-qualification, technical evaluation and selection of Bidder is set out under section eligibility criteria and evaluation methodology.
- 11.2.5. As part of the evaluation, the Part I – technical submission shall be checked for responsiveness with the requirements of the tender document and only those proposals which are found to be responsive would be further considered for financial Bid opening.

PART I – Submission would be considered to be responsive if it meets the following conditions:

- i. The amount towards the tender fee (DD) and EMD (DD) has been received on or before the proposal due date including any extension thereof.
- ii. It is signed and marked as stipulated in clause "format and signing of e- Bids" and "submission of e- Bids". It contains all the information and documents including scanned copy of demand drafts for the tender fee document and EMD as requested in the tender document.
- iii. It contains information in formats specified in this tender document.
- iv. It conforms to the Bid validity period as set out in the tender.
- v. It provides information in reasonable detail. ("Reasonable Detail" means that, but for minor deviations, the information can be reviewed and evaluated by the UPNEDA without communication with the Bidder). The UPNEDA reserves the right to determine whether the information has been provided in reasonable detail.
- vi. There are no inconsistencies between the proposal and the supporting documents.

vii. The e-Bid document should be properly indexed with page numbers.

The responsive proposals shall be evaluated as per the criteria set out in section eligibility criteria and evaluation methodology.

Price Bid of only those Bidders, who are technically qualified shall be opened and evaluated.

PART II SUBMISSION

- i. Financial proposal will be separately uploaded on the e-tender portal in the PDF file the provided format and marked as, Part II submission – financial Bid;
- ii. The Amount quoted in the Financial Bid (BoQ) must be inclusive of all taxes & duties.
- iii. Each page of the technical Bid shall be numbered and signed by an authorized signatory of the Bidder.

12. Earnest Money/ Bid Security:

The Bidder shall furnish, as part of its Bid, Bid security/Earnest Money of Rs 25,000/- (Rupees Twenty five thousand only) in the form of Demand Draft in favor of Director, UPNEDA, payable at Lucknow issued by a nationalized bank, or State Bank of India and its subsidiary banks or scheduled commercial bank.

- i. Any Bid not secured with the earnest money will be rejected by the UPNEDA as non-responsive.
- ii. No Interest shall be payable on the amount of earnest money. The same will be released after the tenders have been decided, to those Bidders who fail to get the contract.
- iii. The Bid security (Earnest Money) may be forfeited if a Bidder withdraws its tender during the Bid evaluation or not signing the agreement after award of the contract.
- iv. EMD of successful Bidder shall only be released after signing of agreement and submission of Performance Security of quoted capacity (KW) of projects @ Rs 2,000/- per Kilo Watt (KW).

13. Performance Security:

- i. A Performance security in the form of Bank Guarantee /FDR issued by a nationalized bank, State Bank of India and its subsidiary banks or scheduled commercial bank, for an amount of @ Rs 2,000/- per Kilo Watt (KW) on quoted capacity (KW) of projects, is to be submitted by successful Bidder after the issuance of LoA prior to the execution of contract agreement. The bank guarantee shall be valid for 66 Months. BG/FD shall be renewed after every five years.

14. Instruction to Bidders

- i. Preliminary scrutiny of the proposal will be made to determine whether they are complete, whether the documents have been properly signed.
- ii. Proposals not conforming to such preliminary requirements will be prima facie rejected.
- iii. The proposals would be evaluated on the basis of the pre-qualification criteria and prior experience of Bidder in the areas as mentioned in Bid document. However, UPNEDA in its sole/absolute discretion can apply whatever criteria deemed appropriate in determining the responsiveness of the proposals submitted by the respondents.
- iv. All updation/information about above tender will be published on UPNEDA website www.upneda.org.in and/or e-tender Portal.

15. Clarification & Amendments to BID

During technical evaluation of the proposals, UPNEDA may, at its discretion, ask respondents for clarifications on their proposal. The Respondents are required to respond within the time frame prescribed by UPNEDA.

- i. At any time prior to the last date for receipt of Bids, UPNEDA, may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective respondent, modify the BID document by an amendment. In order to provide prospective respondent reasonable time in which to take the amendment into account in preparing their Bids, UPNEDA may, at its discretion, extend the last date for the receipt of Bids and/or make other changes in the requirements set out in BID and/or cancel the BID.

The amendments shall be notified through UPNEDA website and such amendments shall be binding on them

16. Withdrawal of Invitation to Bid

While the UPNEDA has floated this tender and has requested Bidders to submit their proposals, the UPNEDA shall always be at the liberty to withdraw this invitation to Bid at any time before its acceptance

17. Validity of Proposals

Proposals shall remain valid for a period of 90 days from the date of opening. A Proposal valid for shorter period may be rejected as non-responsive

18. Conflict Of Interest

- i. UPNEDA requires that the Bidder should provide professional, objective, and impartial advice and at all times hold the UPNEDA interests paramount, strictly avoid conflicts with other assignments/jobs or their own corporate interests and act without any consideration for future work.
- ii. Bidder shall not receive any remuneration from any stakeholder in connection with the assignment except as provided in the work contract.
- iii. Bidder shall not be engaged for any assignment that may place them in a position of being unable to carry out the assignment in the best interest of UPNEDA

19. Rights of UPNEDA

UPNEDA reserves the right to accept or reject any Proposal, and to annul the process and reject all Proposals at any time prior to the signing of the agreement, without thereby incurring any liability to the affected Respondent(s) or any obligation to inform the affected Respondent(s) of the grounds for such decision

20. Governing Law & Jurisdiction:

- i. The High court of Judicature at Allahabad and Courts subordinate thereto, at Lucknow, shall alone have jurisdictions to the exclusion of all other courts
- ii. The appointed Bidder shall not collect from any stakeholders, any amount whatsoever. Necessary action will be taken in case it is found that the condition has been violated by the service provider

21. Termination of Bid :

UPNEDA shall have the right to blacklist the Bidder in India, If the Bidder will not withstanding the provisions of clauses contained in this deed.

22. Transfer/Sublet the work:

- i. The contractor/ Bidder shall not, without the consent in writing of “UPNEDA”, transfer, assign or sublet the work under the contract or any substantial part thereof to any other party
- ii. “UPNEDA” shall have at all reasonable time access to the works being carried out by the contractor/ Bidder under the contract. All the work shall be carried out by the contractor/ Bidder to the satisfaction of “UPNEDA”.

23. Settlement of Dispute and Arbitration:

If any question, dispute or difference what so ever shall arises between “UPNEDA” and the contractor/ Bidder, in the connection with the agreement except as to matters, the decisions for which have been specifically provided, either party may forthwith give to the other notice in writing of existence of such question, dispute or difference and the same shall be referred to the sole arbitration of the Principal Secretary/Secretary of the Uttar Pradesh or a person nominated by him not below the rank of Secretary. This reference shall be governed by the Indian Arbitration and Conciliation Act 1996, and the rules made there under. The award in such arbitration shall be final and binding on both the parties. Work under the agreement shall be continuing during the arbitration proceedings unless the “UPNEDA” or the arbitrator directs otherwise.

24. Termination of Contract

If the contractor fails to execute the O&M of projects as per agreement UPNEDA reserves the right to terminate the agreement and will take projects taken possession from contractor. Also, UPNEDA reserves the right to Blacklist the Bidder in India, if the Bidder fails to comply the terms and conditions of the contract.
