ORDER

(DATE OF HEARING: 19.11.2024)

1. The Petitioner, UPPCL has filed this Petition seeking approval for procurement of 1175 MW wind power along with approval of PSA dated 30.05.2024 executed between UPPCL

by

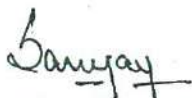

m

and SECI on long-term basis through TBCB process. The prayers of the Petitioner are as follows:

- a) Approve the procurement of 1175 MW of Wind Power on long-term basis procured by UPPCL from SECI through tariff based competitive bidding process held under the Inter State Transmission System Tranche-XVI Scheme.
 - b) Approve the Power Sale Agreement executed on 30.05.2024 between Solar Energy Corporation of India Limited and UPPCL; and/or
 - c) Pass any further Order(s) as this Commission may deem fit in the facts and circumstances of the case.
2. During the hearing today, Sh. Shashwat Singh, Advocate of UPPCL submitted that instant Petition was for approval of 1175MW of Wind Power under PSA dated 30.05.2024 and CERC has already adopted the tariff of the same. He further stated that a trading margin of 7 paise/unit is over and above the discovered tariff of Rs. 3.65/unit (approx.)
 3. On specific query of the Commission regarding type of power (i.e., whether peak/off-peak/RTC power), representative of UPPCL responded that it is a flexible power to maintain the CUF. Further, in response to the Commission's query about the major terms & conditions of this PSA, Sh. Singh sought three weeks' time to submit the details.
 4. After hearing, the Commission directed UPPCL to furnish reasons for the increased discovered tariff from the past TBCB process of Wind power (i.e., in Petition No. 2054/2023 & 2100/2024) and difference in major terms & conditions of this PPA/PSA from the earlier similar Wind power based PPA/PSA, if any, along with its rationale. Further, Commission allowed SECI to file its reply within three weeks' time.

List the matter for next hearing on 24.12.2024.
